

The screenshot displays the Phase Manager software interface with a yellow background and a construction crane illustration at the bottom. The interface is divided into five main panels:

- Current project:** Displays project details for "Demo SIG final".
 - Name:** Demo SIG final
 - Description:** VRD
 - Manager:** Fabien GABORIAU
 - Start date:** [blank] **End date:** [blank]
 - Last save:** 24/02/2020 11:36
 - Folder:** C:\Users\Public\Documents\PhaseManager4\Projet\Demo SIG final
 - Size:** 4.4 Mo
- Drawing:** Shows a map view of a road and surrounding greenery.
- Language:** Features a globe icon, a dropdown menu set to "en", and three icons for home, folder, and document.
- Workspace:** Includes a folder icon, a path dropdown (C:\Users\Public\Document...), and a list of project items:
 - Demo Clipping
 - Demo SIG final
 - My project
 - Projet Demo
- Version:** Displays "Phase Manager version : 4.0.7" and "Version is up to date." with a refresh icon.
